We Report the detailed findings and their prospective affects on business.

Audit Services

External Audit:

We are registered with almost all major authorities and banks to provide external audit reports for your business. If your business is partnership based, we can be an independent source of financial reports and analysis.

Internal Audit:

We Believe in continuous improvement and accountability. review of business operation and performance by us will help you in getting the correct picture and avoid any wrongdoings of management or finance department.

Information Technology:

We have an experienced team which can help you identify any risks and possible loopholes of your systems and data management in general and specific as well.

Forensic Audit:

We are expert when it comes to reporting of transactions flow and historical accounting verifications. We provide reports to even regulatory authorities and business owners as well.

Revenue Audit:

We are providing the Revenue audits and declaration requested mostly by mall managements or property owners to renew the rental contracts and calculate the rental amounts of previous periods.

Wealth Statements:

We also provide accurate wealth statements to individuals which are mostly requested by banks and embassies for creating investor profiles.

Business Valuations:

We provide the accurate business valuations of businesses whenever you business needs, mostly at the time of adding or removing partners from business.

Business Liquidation:

We perform the duties of Liquidators and provide liquidation report for authorities and management for smooth exit from business.

Business Setup in UAE

In United Arab Emirate, The economy offers all business owners a vigorous and developing opportunities for all entrepreneurs. Deciding to set up a business in the UAE might be a gritty decision to make especially for foreign entities who decides to initiate a formal presence in the UAE market. We at Al Riyady are committed to help you get through the undying stress of having to deal with the process, and have you focus on making your aspiration of setting up a business in UAE a reality.

UAE MAINLAND

Before setting up a Mainland company, we have to first, brief you with all the information you need to know about setting up a company in UAE Mainland. That includes a series of paperwork and licenses for setting up a company directed by the Department of economic development in every emirate of the UAE.

UAE FREEZONE

Setting up a company through free zone is easier and faster. UAE freezones offer world class business amenities and commercial benefits. Some examples are: Flexi-desks, access to freehold property, Office amenities, etc.

OFFSHORE BUSINESS

Offshore Businesses are at an independent area where taxes are levied at a low rate! Also you can keep 100% of your business profit, Only you own your company and you can maintain absolute business confidentiality.

We are working with all UAE freezones

Tax Consultancy

We assist businesses and people in understanding and dealing with a country's tax system.

Tax preparation, tax analysis, tax return submission, and tax payments are all part of our tax advisory services in the UAE.

How Do We Add Value To The Company?

Choosing a tax advisor is a preferable alternative because it makes a company or individual knowledgeable of the country's tax rules.

Tax accountants assist in the preparation of tax accounting for tax purposes.

We provide value to your company by: –

- **Evaluating** the advantages and disadvantages of your company structure
- **Assisting** you in selecting the appropriate VAT schemes – voluntary or mandatory
- **Increasing** profitability and lowering expenses through efficient techniques
- **Reducing** your tax liability by staying up to date on the latest tax policies
- **Appropriate** bookkeeping education that saves you time and money
Developing metrics-based performance evaluations to assess market trends

Accounting & Bookkeeping

One Stop Solutions For Accounting & Bookkeeping Services:

Because of their focus on accounting and finance, business owners in the UAE have been unable to manage their businesses as economic rivalry has increased.

As a result, ALriyady provides outsourced accounting and bookkeeping services tailored to your industry.

Depending on the needs of the organisation, we provide monthly financial reports.

Such as:

- VAT Return Report
- Profit and Loss and other comprehensive income report
- Balanced Sheet Report
- Sales & Purchases report

ACCOUNTING

Bank Account Opening

"We can help you with your banking needs,

May it be opening a bank account, acquiring a business loan or even offering a bank guarantee"

Opening a Bank Account:

Businesses and individuals strive to open a bank account in Dubai and all over UAE. There are lots of formalities involved in opening a UAE Business Bank Account.

With Al Riyady, Opening a Bank account will be quick and easy for non-residents, residents and business entities. We will guide you through the right banks that offer high quality services and competitive fees.

GOLDEN VISA

UAE GOLDEN VISA

The Golden Visa is a prestigious introduction of the 5 years to 10 years residency offered by the UAE government, giving the UAE residents an extra reason to feel more secure of the future.

Thousands of UAE residents have already received their prestigious long-term residency visas. The introduction of the long-term 10-year visa provides stability and allows expatriates to live, work, conduct business and study in the UAE without requiring a local sponsor.

What does the Golden Visa offer?

The Golden Visa system essentially offers long-term residency (5 and 10 years) to people belonging to the following groups
